## SPECIAL FEATURES AT THE 1962 SASKATOON EXHIBITION

**R.C.M.P. MUSICAL RIDE**—After many years of trying, the Saskatoon Exhibition has finally succeeded in getting for the week of the Exhibition the Internationally Famous R.C.M.P. Musical Ride. The "Ride" will be presented at each evening grandstand performance. As it will not likely be shown in Saskatoon again for many years, we urge our patrons to see it this year at the Saskatoon Exhibition. To see it to the best advantage order your grandstand seats early.

**THE OLD RED BARN**—This free exhibit includes many domestic animals and their young. There are a ewe and her lambs, a mare and her colt, a dog and her pups, a cow and her calf, etc. There are wild animals, too, and of particular interest to children, and to the grown ups also, is "Casey At the Bat", the famous baseball playing hen that bats the ball for "home runs". Accompanying Casey is "Desmond, the Drumming Duck".

This display and the acts are all free. Be sure to see the "Old Red Barn" when you visit this year's Fair!

**RACING**—Four hundred of the West's fleetest thoroughbreds will race during Fair Week. Racing starts at 2 p.m. every day with pari-mutuel betting.

**GRANDSTAND ATTRACTIONS**—Eight of the top rated acts in the amusement field will be staged each evening in front of the grandstand featuring the Three Bragazzi, one of the funniest comedy acts ever seen, the June Taylor Dancers, and, of course, the famed "Musical Ride".

**THE "RED KNIGHT"**—On Monday evening the "Red Knight" will appear in front of the grandstand in a death defying program of aerial acrobatics.

**PIPE BAND**—The Saskatoon Pipe Band, together with Scottish Dancers, will appear before the grandstand Tuesday, Friday and Saturday evenings prior to the platform attractions.

**THE MIDWAY**—Each year the Royal American Shows outdoes itself in presenting what is regarded as the World's Largest Midway. The Wild Mouse Ride and the Calypso Ride are back as are many other old thrilling rides and a new ride, "The Space Wheel", a real thriller. Altogether the carnival company carries over 100 railroad cars of assorted riding devices, shows and personnel.

**CHILDREN'S PARADE**—The Exhibition opens Monday with a Children's Parade at 10.30 a.m. Boasting one hundred floats depicting many scenes from the children's world of fantasy, the mile-long parade annually attracts thousands of visitors and residents.

**BASEBALL**—This year, as in other years, eight teams from outside the City of Saskatoon will take part in a baseball tournament. As in the past, the tournament will provide the best baseball likely to be seen in Saskatchewan this year.

**FIREWORKS**—Each evening a dazzling display of fireworks at the conclusion of the grandstand performance.

**TRAVELLERS' DAY PARADE**—Friday of Fair Week the Travelers' Day Parade, which annually attracts upwards of 50,000 people, will get under way at 10 a.m. Floats, clowns, bands will delight on-lookers while the two-hour parade winds its way through the city.

**OLD TIMERS' REUNION**—The Old Timers' Cabin on the Fair Grounds will be a busy spot during Exhibition Week as pioneers gather to swap stories and tell tales of yester years.

**DREAM HOME**—Would you like to win a \$30,000 house completely furnished and moved, after the Fair is over, to a beautiful 67-foot lot? Then buy a \$2.00 ticket from the Kinsmen Club whose members will be selling tickets on the grounds during Fair Week. Remember, if you haven't a ticket you haven't a chance to win this beautiful home.

**CAR AWARDS**—Three cars will be given away by the Kinsmen Club to lucky winners. Tickets are \$1.00 each and sold on the grounds during Exhibition Week.

---

ENTRIES CLOSE JUNE 28th

**TRACKLESS TRAINS**—Transportation on the grounds will be provided by trackless trains operating from the admission gates to various parts of the grounds.

**INFORMATION BOOTH**—This booth, where information concerning any event on the grounds may be obtained, is located in front of the Administration Building.

**PUBLICITY MEDIA**—On the grounds will be located The Star-Phoenix Office and attached playground for children and rest rooms for ladies. Radio Station CFQC broadcasts the races daily and provides a welcome tent where, if you are weary from walking, you can rest a while. Radio Station CKOM broadcasts daily and nightly from the grounds and stages free musical programs. CFQC-TV brings you glimpses of the exciting moments in racing and shots of interesting scenes and characters.

**TURKEY CENTRE**—This is an educational display under the grandstand showing the value of the Turkey Industry and the many delectable ways turkey, as a food product, can be served.

**PHOTOGRAPHIC SALON**—This Salon is housed under the Grandstand and will contain the cream of photographic endeavor in Western Canada during the past year.

**FINE ARTS**—Western artists, professional and amateur, will display their talents in open competition in oil and watercolors. The Art Building is located on Wilson Street.

**GARDEN PATH**—The Saskatoon Horticultural Society and the Saskatoon Beautiful Committee combine to present a most beautiful and interesting display which will be found under the grandstand.

**NATIONAL FILM BOARD OF CANADA**—Films will be shown dealing with all aspects of Canadian life. Special film "A Lake For the Prairies", showing the need for and work on the South Saskatchewan Dam, will be featured.

**MACHINERY ROW**—A display of the newest and finest in farm machinery.

**GENERAL EXHIBITS**—Under this heading are included Women's Work and School Work housed in the Provincial Government Building; the Dairy Educational Exhibit in the Dairy Building; the Commercial exhibits in the Jubilee Building and under the Grandstand; the Horticulture and Field Husbandry exhibits under the Grandstand. All patrons at the Fair will find these exhibits interesting and educational.

**JUNIOR ACTIVITIES**—Here is a program which alone could keep a patron busy all week if he or she chose to attend all activities in which 4-H Club and Farm Camp members take part. Activities include the Saskatchewan Dairy Calf Sweepstakes Competition open to the two top winners in Achievement Days in 22 districts from all parts of Saskatchewan; Saskatchewan Beef Heifer Sweepstakes Competition open to winners from each of 300 4-H Beef Clubs; Boys' and Girls' Finished Steer Sweepstakes Competition open to boys and girls 10 to 21 years of age; 4-H Demonstrations; Safe Tractor Driving Competition; 4-H Thematic Displays Competition; 4-H Chef Competition; Farm Boys' and Farm Girls' Camps. A new location costing \$70,000 has been provided for the housing of the Youth Centre program. It will be located in the north end of the Exhibition Stadium.

**LIVESTOCK**—This feature of the Exhibition is mentioned last, not because it is less important but because we wish to emphasize, as a last reminder, that livestock is the main justification for holding an Agricultural Exhibition. This year, as in the past, livestock will hold the spotlight. The Parade of Champions Thursday afternoon, a unique feature found only at the Saskatoon Exhibition, and the Mammoth Livestock Parade Thursday evening, in front of the Grandstand, will be memorable occasions for Thursday visitors.

Who said there is nothing new at Fairs?

#### PRESIDENT'S MESSAGE

The Directors of the Saskatoon Exhibition cordially invite you to this year's Fair which promises to outdo all previous Fairs in features such as livestock, entertainment and exhibits. Topping the entertainment to be presented is the world famous R.C.M.P. Musical Ride. This attraction, sought after for many years, has finally been obtained and will be presented at each evening grandstand performance. It will be many years before there is a return engagement so we particularly invite you to attend this year's Fair.

We have built new quarters at a cost of \$70,000 for 4-H and Farm Camp boys and girls. These quarters will be known as the "Youth Centre". We expect a record attendance of 4-H members and a record entry in our three Sweepstakes competitions. This year, in addition to the Saskatchewan Dairy and Beef Heifer Sweepstakes, we have raised the finished steer competition to a Sweepstakes. We anticipate that competition in these events will be particularly keen.

Entertainment features, other than the R.C.M.P. Musical Ride, will include a grandstand show of eight acts, a baseball tournament, racing, parades, bands and midway attractions. The "Old Red Barn" will again include many wild and domestic animals and will feature not only "Casey, the Batting Hen" but a new act "Desmond, the Drumming Duck". The "Old Red Barn" will be the delight of the children.

Enquiries already received point to what appears will be our largest livestock entry in years. A large entry in the beef breeds is expected from the United States, thus giving our livestock show an international flavor. A number of interesting displays are being prepared for presentation in the livestock show ring.

Once again, we invite you to make the week of the Saskatoon Exhibition a part of your annual holidays. Why not come in Monday, July 23, and remain until the end of the week? It will take most of the week to see all the interesting exhibits on display and to enjoy the many educational, entertaining and cultural features of our Fair.

Accommodation in Saskatoon is now becoming quite plentiful, so reserve now for a full week of fun and frolic.

ENTRIES CLOSE JUNE 28th

Though the Board will take reasonable precautions to ensure the safety of articles sent to the Exhibition, should any article be injured, lost or stolen, the Board will give all the assistance in its power towards the recovery of the same, but will not make any payment for loss or damage.

22. All freight and express charges must be prepaid by the Exhibitor; otherwise the exhibit will not be accepted.

23. Articles not accompanied by their owners may be addressed to the Manager, who will receive them on their being delivered at the grounds at the expense of the owner or authorized agent.

## Pioneers of Progress —JOHN MACOUN

Helped Change a  
Railroad's Route

John Macoun came west in 1872 with the Fleming expedition surveying a transcontinental railroad route through central Saskatchewan. For ten years he studied the flora and fauna, particularly in the southern regions of the province. He wrote enthusiastic reports of the boundless possibilities for agricultural development. So factual and convincing, so completely different to previous pessimistic reports, Macoun played a large part in the decision to change the route of Canada's first transcontinental railroad from central to southern Saskatchewan. Today, the land Macoun recognized as rich in agricultural production shows new promise as the minerals beneath the soil add a new dimension to the Saskatchewan economy.

The Saskatchewan Power Corporation now serves a new multi-million dollar industry beneath the rich agricultural land studied by John Macoun. Today, Saskatchewan is recognized as the potash capital, with greater reserves of high quality potash than anywhere in the world. As the Saskatchewan Power Corporation has been ready to serve this new industry—so is it prepared to serve other new industries establishing in Saskatchewan. As a modern Pioneer of Progress in its own field, the Saskatchewan Power Corporation is preparing for tomorrow's expanding power requirements with two hydro generating stations under construction and others envisioned for the future on the mighty Saskatchewan River system.
